Martin Ballendat

Up, designed by Martin Ballendat for Sandler Seating's Tonon collection, delivers a contemporary lounge chair that is a perfect complement to almost any environment whether it is a classic or modern interior.

Originally introduced as a guest chair, Up has now been reimagined as a lounge chair with a contemporary, rounded silhouette and beautifully crafted, solid black walnut arms. Up has an elegance that is both classic and comfortable. Up is upholstered in leather and available with a variety of chair bases including four-leg wood, polished aluminum swivel and black aluminum swivel.
